

“Serenity Visits”

Serenity Church would like to encourage attendance at additional 12-step recovery group meetings. In order to accomplish this, monthly 'excursions' to different 12-step recovery meetings are being planned. Team members will set up carpools to make it easy to attend the featured 12-step group with friends – all you will have to do is show up.

The following table gives the details for upcoming meetings:

| Group / Location | Date / Time | Instructions |
